

Annex B: Specific National and Regional Requirements

Belgium – FWO

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	200.000 EUR /1 project/ 3 years
Eligible costs	Funding money can be used for staff, consumables and infrastructure. The minimal and maximal amounts of money allowed per cost category, as applicable for the regular FWO-projects, are not applicable for the projects funded by FWO in ERA-NET. Overhead is not an eligible cost. Notwithstanding, FWO pays the host institutions of a project 6% overhead on top of the funding amount.
Additional documents required	No
Other national restrictions	See national regulations

Canada CIHR

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	CIHR will contribute as followed per year per application. 1 Canadian participant in the consortium: up to \$200,000 2 Canadian participants in the consortium: up to \$250,000 (for the team) 1 Canadian coordinator in the consortium: up to \$250,000 1 Canadian coordinator + 1 Canadian participant in the consortium: up to \$300,000 (for the team)
Eligible costs	Recipients should review the Use of Grant Funds section of the Tri-Agency (CIHR, NSERC and SSHRC) Financial Administration Guide for a complete listing and description of allowable costs and activities.
Additional documents required	Canadian applicants invited to submit a full application must complete a CIHR application and submit it using ResearchNet . The deadline for submission of this application is the same as the Full Application deadline to Joint Action Secretariat. The purpose of this additional application to CIHR is to provide CIHR with an Operating Budget for the project, with the amounts quoted in Canadian dollars.
Other national restrictions	The Nominated Principal Applicant (NPA) must be an independent Researcher . The NPA must have an academic or research appointment at a CIHR eligible institution (See Institutional Eligibility Requirements for eligibility process and associated timelines. No indirect costs will be covered.

Czech Republic

Funding of industrial partners	No (participation possible only on their own expenses)
Participation of industry required?	No

Maximum funding	500.000 EUR altogether (no max. limit per project)
Eligible costs	<p>Eligible costs for a Czech participant involved in a project consortium are defined by § 2 of the Act No. 130/2002 Coll. on Support of Research, Experimental Development and Innovation from Public Funds and on Amendment to Some Related Acts. The maximum indirect costs set for the present call are 25 % (flat rate) of direct costs without the sub-contracting.</p> <p>The aid intensity for activities carried out by a research organisation might be at the level of 100 % provided that the research organisation complies entirely with requirements stipulated by the Article 2.1.1 “Public funding of non-economic activities” of the Framework for State Aid for Research and Development and Innovation (2014/C 198/03) and proves it by means of the above-mentioned Statutory Declaration.</p> <p>Should the above-stated criteria not be fulfilled by the Czech participant, funding rates will be adjusted appropriately by the Ministry of Education, Youth and Sports and will reach the level of 100 % for fundamental/basic research activities, 50 % for applied research activities and 25 % for experimental development activities.</p> <p>Each Czech participant in a project consortium is requested to specify the costs related to the envisaged R&D activities in detail by using the Eligible Costs Specification template available on websites of the Ministry of Education, Youth and Sports: http://www.msmt.cz/vyzkum-a-vyvoj-2/spolecne-programovani.</p>
Additional documents required	<p>All of the requested documentation (i.e. Statutory Declaration and Eligible Costs Specification) shall be sent by each Czech participant in a project consortium to the Ministry of Education, Youth and Sports no later than 4th July 2017 both by electronic correspondence and post.</p> <p>The electronic version of requested documentation shall be sent to the address of electronic correspondence hana.siskovagrznarova@msmt.cz.</p> <p>One signed and stamped hard copy (by the statutory representative of research organisation) of requested documentation shall be submitted as well following the instructions stipulated on websites of the Ministry of Education, Youth and Sports: http://www.msmt.cz/vyzkum-a-vyvoj-2/spolecne-programovani.</p>

Other national restrictions	<p>The participants from the Czech Republic in the projects' consortia must meet the criteria of research and knowledge-dissemination organisation (hereinafter referred to as the "research organisation") in accordance with the Framework for State Aid for Research and Development and Innovation (2014/C 198/03). These might be public universities, public research institutes and/or another entities classified as research organisations.</p> <p>It is obligatory that the Czech participants involved in the projects' consortia prove compliance with the eligibility criteria and fulfilment of the conditions set by § 18 of the Act No. 130/2002 Coll. on Support of Research, Experimental Development and Innovation from Public Funds and on Amendment to Some Related Acts by means of a Statutory Declaration. The required procedure is described and the Statutory Declaration template is available on the websites of Ministry of Education, Youth and Sports: http://www.msmt.cz/vyzkum-a-vyvoj-2/spolecne-programovani.</p>
------------------------------------	---

Germany BMBF/DLR

Funding of industrial partners	Yes
Participation of industry required?	No
Maximum funding	Max. 300.000 EUR per project
Eligible costs	See national guidelines
Additional documents required	No
Other national restrictions	See national guidelines

Ireland

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	370,000K in total (inclusive of overheads and pension contributions) – One project will be funded.
Eligible costs	Salary related costs, small equipment costs, travel, direct running costs, dissemination and knowledge exchange costs, overheads (in accordance with the HRB Policy on Overhead Usage, the HRB will contribute to the indirect costs of the research through an overhead payment of 30% of Total Direct Modified Costs (TDMC excludes student fees, equipment and capital building costs) for laboratory or clinically-based research and 25% of Total Direct Costs if desk-based research .
Additional documents required	Applicants from Ireland in consortia invited to submit a full application will be required to provide additional information to the HRB at the time of the full application submission deadline. This will include justification for their requested budget, and clarification on deliverables assigned to the partner from Ireland. A template requesting the information required from applicants from Ireland will be provided by the HRB.
Other national restrictions	Proposals from Irish institutions that include human Embryonic Stem Cell Research will be deemed ineligible .

Israel CSO-MOH

Funding of industrial partners	Only on their own funding
Participation of industry required?	No
Maximum funding	Up to 160,000 euros per project. Israeli coordinator may ask for an additional 10,000 euros.
Eligible costs	Personnel (students, technicians, applicants excluded); Animals, Materials and consumables; Travel (up to 10%); Institutional overhead 10%. No permanent equipment.
Additional documents required	Prior to submission, researchers will submit to CSO-MOH an abstract approved by their research authority including detailed budget distribution. This abstract describes their work in the consortium. It is not the consortium submitted abstract. No submission of abstract can lead to disqualification of the whole application, as well as the consortium.
Other national restrictions	Research will not be funded simultaneously by CSO-MOH on more than one grant (ERA-NET or national). Researchers can only apply for one grant from any ERA-NET funded by CSO-MOH or submit only one proposal for any single programme. Please see detailed instructions at www.health.gov.il/research-fund reports will be submitted annually to CSO-MOH.

Italy IT-MOH

Funding of industrial partners eligible?	Only Scientific Institutes for Research, Hospitalization and Health Care (Istituti Ricovero e Cura a Carattere Scientifico pubblici e privati, IRCCS) are eligible. No industrial partners are eligible.
Participation of industry required?	No
Maximum funding	Max 250.000 € per project
Eligible costs	Only costs generated during the lifetime of the project can be eligible. Personnel (only ad hoc contracts/consultants/fellowship, max 50% of the requested fund); travel costs and subsistence allowances (max 10% of the requested fund); equipment (rent/leasing only, no limit), consumables (no limit), dissemination of results (publications, meetings/workshops etc. - max 1% of the requested fund); data handling and analysis (no limit); overhead (maximum 10% of the requested fund). (All according to the national regulations). Travel expenses and subsistence allowances associated with training activities only linked to the project.

Additional documents required	<p>The simultaneous participation in proposals submitted to different transnational research calls, funded by the Ministero della Salute, is not allowed to Italian Principal Investigators or other research team members.</p> <p>In order to expedite the eligibility check process, the Ministry of Health will grant an eligibility clearance to the applicants prior to the submission of the pre-proposals. To this end, it is mandatory that the applicants fill out and return a pre-eligibility (Italy MOH mandatory pre-eligibility check form 2017) check form through IRCCS Scientific Directorate or Regional Office Health Research using WFR System 10 days before submitting their pre-proposals to the Joint Call Secretariat. It is strongly recommended that the form, completed and duly signed, is returned at least 10 working days before the pre-proposal submission deadline. Applicants will be sent a written notification of their eligibility status.</p>
Other national restrictions	<p>After the JPI-AMR JTC 2017 peer review has been completed and the final (scientific) ranking list has been performed and endorsed by the Call Steering Committee, the Ministry of Health will invite the principal investigators of the projects approved for funding to enter the formal national negotiations (according to national regulations). The funding of these projects are under the Ricerca Corrente IRCCS rules.</p>

Latvia VAA

Funding of industrial partners eligible?	Please consult http://www.zonmw.nl/nl/subsidies/voorwaarden-en-financien/ or your national contact person.
Participation of industry required?	No
Maximum funding	<p>1 Dutch participant in the consortium: max €300.000</p> <p>2 Dutch participants in the consortium: max €450.000 (for the both of them together)</p> <p>1 Dutch coordinator in the consortium: max €350.000</p> <p>1 Dutch coordinator + 1 Dutch participant in the consortium: max € 500.000 (for the both of them together)</p>
Eligible costs	Please consult http://www.zonmw.nl/nl/subsidies/voorwaarden-en-financien/
Additional documents required	Please consult http://www.zonmw.nl/nl/subsidies/voorwaarden-en-financien/
Other national restrictions	Please consult http://www.zonmw.nl/nl/subsidies/voorwaarden-en-financien/ or your national contact person.

Norway RCN

Funding of industrial partners	Yes
Participation of industry required?	No
Maximum funding	0,7 M€ for the total 3 year period
Eligible costs	1,5 M€ for the total 3 year period
Additional documents required	No
Other national restrictions	See national guidelines. Please note that you can only be the Project manager for one project in this call. However you can be partner on several applications.

Poland NCN

Funding of industrial partners	Yes
Participation of industry required?	No
Maximum funding	NCN call budget: EUR 500 000
Eligible costs	<p>Please see UNISONO: https://ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2016/uchwala114_2016-zal1.pdf (p. 6-13).</p> <p>Overhead costs must not exceed a maximum of 40% of the total eligible costs (excl. equipment) and may not be increased during the course of a research project.</p>
Additional documents required	<p>On the full proposal stage Polish applicants must register their applications in the OSF submission system (UNISONO application). This application includes the following budgettable: http://ncn.gov.pl/sites/default/files/pliki/UNISONO_budget_table.xlsx.</p>
Other national restrictions	<p>Who can apply? Any researcher, with a doctoral degree, employed at a Polish institution may act as a Principal Investigator.</p> <p>Project duration: 24 or 36 months</p> <p>Only proposals involving basic research (original experimental or theoretical research work undertaken primarily to acquire new knowledge of the underlying foundations of phenomena and observable facts) may be submitted in response to the call for proposals.</p> <p>If one international project includes partners from two different Polish Host Institutions, these institutions must apply as a consortium. Each Host Institution comprising the consortium has a separate budget, but the limit on the remuneration applies to the consortium as a whole (UNISONO, p. 9-10) .</p> <p>Applicants are obliged to adhere to the rules included in the following document (UNISONO): https://ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2016/uchwala114_2016-zal1.pdf.</p>

Romania ANCSI

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	Up to 200.000 EUR/partner Up to 250.000 EUR/coordinator
Eligible costs	See national guidelines http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-
Additional documents required	No
Other national restrictions	See national guidelines http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-Cofund.html

Spain ISCIII

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	150.000
Eligible costs	See: http://eu-isciii.es/wp-content/uploads/2017/01/2017_JPI-EC-AMR-ISCIII-National-Annex.pdf
Additional documents required	No
Other national restrictions	See: http://eu-isciii.es/wp-content/uploads/2017/01/2017_JPI-EC-AMR-ISCIII-National-Annex.pdf

Sweden SRC

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	Max. 300.000 EUR per project (1 Swedish participant in the consortium: max € 300.000, 2 Swedish participants in the consortium: max € 300.000 for the both of them together)
Eligible costs	The same as for applications for SRC project grants
Additional documents required	No
Other national restrictions	See national guidelines: http://www.vr.se/inenglish/researchfunding/applyforgrants/conditionsforapplicationsandgrants.4.5adac704126af4b4be280007743.html

Switzerland SNSF

Funding of industrial partners	No
Participation of industry required?	No
Maximum funding	No
Eligible costs	See regular SNSF guidelines
Additional documents required	No
Other national restrictions	Projects must fit with the goals of the National Research Programme “Antimicrobial Resistance” (NRP 72): www.nrp72.ch
