

## Annex B: Specific National and Regional Requirements

### Belgium – FWO

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	200,000 EUR /1 project/ 3 years
<b>Eligible costs</b>	Funding money can be used for staff, consumables and infrastructure. The minimal and maximal amounts of money allowed per cost category, as applicable for the regular FWO-projects, are not applicable for the projects funded by FWO in ERA-NET.  Overhead is not an eligible cost. Notwithstanding, FWO pays the host institutions of a project 6% overhead on top of the funding amount.
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	<a href="#">See national regulations</a>

### Belgium – F.R.S.-FNRS

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	200.000 EUR/project
<b>Eligible costs</b>	All eligibility rules and criteria can be found in the <a href="#">PINT-MULTI regulations</a> . It is <b>strongly advised</b> to contact the F.R.S.-FNRS prior to submission regarding the eligibility criteria
<b>Additional documents required</b>	Yes
<b>Other national restrictions</b>	See <a href="#">PINT-MULTI regulations</a> .

## Czech Republic - MSMT

<b>Funding of industrial partners</b>	No (participation possible only at own expense)
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	250,000 EUR altogether (no max. limit per project)
<b>Eligible costs</b>	<p>Eligible costs for a Czech participant involved in a project consortium are defined by <b>§ 2 of the Act No. 130/2002 Coll. on Support of Research, Experimental Development and Innovation from Public Funds</b> and on Amendment to Some Related Acts. The maximum indirect costs set for the present call are <b>25 % (flat rate)</b> of direct costs without the sub-contracting.</p> <p>The <b>aid intensity</b> for activities carried out by a research organisation might be at the level of <b>100 %</b> provided that the research organisation complies entirely with requirements stipulated by the Article 2.1.1 “Public funding of non-economic activities” of the <a href="#">Framework for State Aid for Research and Development and Innovation (2014/C 198/03)</a> and proves it by means of the above-mentioned <b>Statutory Declaration</b>.</p> <p>Should the above-stated criteria not be fulfilled by the Czech participant, funding rates will be adjusted appropriately by the Ministry of Education, Youth and Sports and will reach the level of <b>100 % for fundamental/basic research</b> activities, <b>50 % for applied research</b> activities and <b>25 % for experimental development</b> activities.</p> <p>Each Czech participant in a project consortium is requested to specify the costs related to the envisaged R&amp;D activities in detail by using the <b>Eligible Costs Specification</b> template available on websites of the Ministry of Education, Youth and Sports: <a href="http://www.msmt.cz/vyzkum-a-vyvoj-2/iniciativa-spolecneho-programovani-antimikrobialni">http://www.msmt.cz/vyzkum-a-vyvoj-2/iniciativa-spolecneho-programovani-antimikrobialni</a>.</p>
<b>Additional documents required</b>	<p>All of the requested documentation (i.e. Statutory Declaration and Eligible Costs Specification) shall be sent by each Czech participant in a project consortium to the Ministry of Education, Youth and Sports no later than <b>4<sup>th</sup> July 2017</b> both by electronic correspondence and post.</p> <p>The <b>electronic version</b> of requested documentation shall be sent to the address of electronic correspondence <a href="mailto:daniel.hanspach@msmt.cz">daniel.hanspach@msmt.cz</a>.</p> <p>One <b>signed and stamped hard copy</b> (by the statutory representative of research organisation) of requested documentation shall be submitted as well following the instructions stipulated on websites of the Ministry of Education, Youth and Sports: <a href="http://www.msmt.cz/vyzkum-a-vyvoj-2/iniciativa-spolecneho-programovani-antimikrobialni">http://www.msmt.cz/vyzkum-a-vyvoj-2/iniciativa-spolecneho-programovani-antimikrobialni</a>.</p>

<p><b>Other national restrictions</b></p>	<p>The participants from the Czech Republic in the project consortia must meet the criteria of <b>research and knowledge-dissemination organisation</b> (hereinafter referred to as the “research organisation”) in accordance with the <a href="#">Framework for State Aid for Research and Development and Innovation (2014/C 198/03)</a>. These might be public universities, public research institutes and/or another entities classified as research organisations.</p> <p>It is obligatory that the Czech participants involved in the project consortia prove compliance with the eligibility criteria and fulfilment of the conditions set by <b>§ 18 of the Act No. 130/2002 Coll. on Support of Research, Experimental Development and Innovation from Public Funds</b> and on Amendment to Some Related Acts by means of a <b>Statutory Declaration</b>. The required procedure is described and the Statutory Declaration template is available on the websites of Ministry of Education, Youth and Sports: <a href="http://www.msmt.cz/vyzkum-a-vyvoj-2/spolecne-programovani">http://www.msmt.cz/vyzkum-a-vyvoj-2/spolecne-programovani</a>.</p>
---	---

## Egypt - ASRT

<b>Funding of industrial partners</b>	Yes
<b>Participation of industry required?</b>	SME participation is not mandatory
<b>Maximum funding</b>	€ 50.000 per project
<b>Eligible costs</b>	<ul style="list-style-type: none"> <li>a- Incentives up to 40% of the total eligible costs</li> <li>b- Costs that are necessary for fulfilling the objectives of the project and include, but not restricted to, manufacturing of specimens &amp; prototypes, IP protection and publication, acquiring access to specialized reference source databases or computer software, fees for use of facilities in other national institutions, etc.</li> <li>c- Materials, kits and consumables</li> <li>d- Equipment (shall be fully justified and must not exceed 25% of the total budget per Egyptian partner)</li> <li>e- Travel and subsistence costs. Daily subsistence costs are calculated according to the current governing rules of the Mission Directorate, Ministry of Higher Education, and depending on the visited country. Sometimes are limited by the host institution's internal regulations and in this respect, Egyptian beneficiaries must provide their own local travel policy during the contractual phase (no need to annex the relevant travel policy to the proposal). In general, the most economical means of transport consistent with effective pursuit of the project should be used. Upgrades to business class are to be done at one's own expense.</li> <li>f- Organisational costs of events and projects' meetings.</li> </ul> <p>Indirect costs (overhead costs) can't exceed 5% of the total eligible costs for each Egyptian partner.</p>
<b>Additional documents required</b>	
<b>Other national restrictions</b>	<p><b>Conditions of funding of companies and Private Sector</b></p> <p>This call is also open for private sector including SMEs. Terms of funding companies are based on the local regulations of the Academy of Scientific Research and Technology, in Egypt where beneficiaries are required to either submit a Letter of Guarantee against the fund amount, or follow a post-activity milestone payment schedule.</p>

**Finland – AKA**

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Max 300 000 € per project (max 2 Finnish participants in the consortium).
<b>Eligible costs</b>	Eligible costs: The same as for applications for Academy of Finland project funding: personnel, consumables, travel, mobility, overheads etc. Full cost model applies; Requested budget from Academy must be no more than 70% of the full costs of a Finnish PI.
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	See national guidelines <a href="http://www.aka.fi/en/funding/how-to-apply/application-guidelines/">http://www.aka.fi/en/funding/how-to-apply/application-guidelines/</a>

## France – ANR

<b>Funding of industrial partners</b>	Yes
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Up to 250,000 EUR for a partner. Up to 300,000 EUR for a coordinator Minimum amount requested per partner must exceed : 15,000 EUR.
<b>Eligible costs</b>	Personnel, Consumables, Subcontracts (subcontracting costs of max 50% of requested budget per partner), Small Equipment, Travel. Please note that at ANR « overheads » means « frais généraux de gestion – frais de structure », and 8% of the total eligible costs must be applied if the partner belongs to a public research organisation, or 68% of the total personnel costs and 7% of other costs if you belong to another category (cf <a href="#">règlement financier ANR</a> – section 4.2.1 e).
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	Please find more information in the <a href="#">“Modalités de Participation pour les Participants Français”</a>  ANR will avoid double funding and will not finance projects or part of projects that have been funded through other calls. ANR will cross-check the proposals submitted to ANR through the national and international calls for possible demands of double funding.

**Germany BMBF/DLR**

<b>Funding of industrial partners</b>	Yes
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	No
<b>Eligible costs</b>	See national guidelines
<b>Additional documents required</b>	Scanned signatures of all PIs on full proposal
<b>Other national restrictions</b>	See national guidelines

## Ireland - HRB

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	370,000 EUR in total (inclusive of overheads and pension contributions) – One project will be funded.
<b>Eligible costs</b>	<p>Salary related costs, small equipment costs, travel, direct running costs, dissemination and knowledge exchange costs, overheads (in accordance with the <a href="#">HRB Policy on Overhead Usage</a>, the HRB will contribute to the indirect costs of the research through an overhead payment of 30% of Total Direct Modifiable Costs (TDMC excludes student fees, equipment and capital building costs) for <b>laboratory or clinically-based research</b> and 25% of Total Direct Modifiable Costs if <b>desk-based research</b>.</p> <p>Applicants from Ireland in consortia invited to submit a full application will be required to provide additional information to the HRB at the time of the full application submission deadline. This will include justification for their requested budget, and clarification on deliverables assigned to the partner from Ireland. A template requesting the information required from applicants from Ireland will be provided by the HRB.</p>
<b>Additional documents required</b>	Applicants from Ireland in consortia invited to submit a full application will be required to provide additional information to the HRB at the time of the full application submission deadline. This will include justification for their requested budget, and clarification on deliverables assigned to the partner from Ireland. A template requesting the information required from applicants from Ireland will be provided by the HRB.
<b>Other national restrictions</b>	<p>Proposals from Irish institutions that include human Embryonic Stem Cell Research will be deemed ineligible</p> <p>Applicants must be affiliated with an <a href="#">HRB host institution</a></p>

## Israel CSO-MOH

<b>Funding of industrial partners</b>	Only on their own funding
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Up to 140,000 EUR per project, which are up to 600,000 NIS. Israeli coordinator may request an additional 20,000 EUR, which are up to 100,000 NIS.
<b>Eligible costs</b>	Personnel (students, technicians, applicants excluded); Animals, Materials and consumables; Travel (up to 10%); Institutional overhead 10%. No permanent equipment.
<b>Additional documents required</b>	Prior to submission, researchers will submit to CSO-MOH an abstract approved by their research authority including detailed budget distribution. This abstract describes their work in the consortium. It is not the consortium submitted abstract. No submission of abstract can lead to disqualification of the whole application, as well as the consortium.
<b>Other national restrictions</b>	Research will not be funded simultaneously by CSO-MOH on more than one grant (ERA-NET or national). Researchers can only apply for one grant from any ERA-NET funded by CSO-MOH or submit only one proposal for any single programme. Please see detailed instructions at <a href="http://www.health.gov.il/research-fund">www.health.gov.il/research-fund</a> . Reports will be submitted annually to CSO-MOH.

## Italy IT-MOH

<b>Funding of industrial partners eligible?</b>	Only Scientific Institutes for Research, Hospitalisation and Healthcare (Istituti di Ricovero e Cura a Carattere Scientifico pubblico e privato, IRCCS) are eligible. No industrial partners are eligible.
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Max 250,000 EUR per project
<b>Eligible costs</b>	Only costs generated during the lifetime of the project can be eligible. Personnel (only ad hoc contracts/consultants/fellowship, max 50% of the requested fund); travel costs and subsistence allowances (max 10% of the requested fund); equipment (rent/leasing only, no limit), consumables (no limit), dissemination of results (publications, meetings/workshops etc.- max 1% of the requested fund); data handling and analysis (no limit); overhead (maximum 10% of the requested fund). (All according to the national regulations). Travel expenses and subsistence allowances associated with training activities only linked to the project.
<b>Additional documents required</b>	The simultaneous participation in proposals submitted to different transnational research calls, funded by the Ministero della Salute, is not allowed to Italian Principal Investigators or other research team members. In order to expedite the eligibility check process, the Ministry of Health will grant an eligibility clearance to the applicants prior to the submission of the pre-proposals. To this end, it is mandatory that the applicants fill out and return a pre-eligibility <a href="#">(Italy MOH mandatory pre-eligibility check form 2018)</a> check form through IRCCS Scientific Directorate or Regional Office Health Research using WFR System 10 days before submitting their pre-proposals to the Joint Call Secretariat. It is strongly recommended that the form, completed and duly signed, is returned at least 10 working days before the pre-proposal submission deadline. Applicants will be sent a written notification of their eligibility status.
<b>Other national restrictions</b>	After the JPI-AMR JTC 2018 peer review has been completed and the final (scientific) ranking list has been performed and endorsed by the Call Steering Committee, the Ministry of Health will invite the principal investigators of the projects approved for funding to enter the formal national negotiations (according to national regulations). The funding of these projects is under the Ricerca Corrente IRCCS rules.

Latvia - VAA

<p><b>Funding of industrial partners eligible?</b></p>	<p>1. Funding of industrial partners is eligible only if they represent enterprises entered into the Latvian Commercial registry, assumed they are eligible to do the specific research and are in possession of necessary resources in Latvia. The main scientific activity, should be in Latvia. Limitations of EU legislation apply (R651/2014) together with financial reporting and audit requirements.</p> <p>2. The other category of partner eligible for funding by VAA is Research institutions: Universities, research institutes, other research institutions – they should be listed in the Latvian register of scientific institutions. Any other type of participants is not covered by VAA. mandate.</p> <p>Participants must comply with Research and knowledge-dissemination organization criteria (R651/2014).</p>
<p><b>Participation of industry required?</b></p>	<p>No</p>
<p><b>Maximum funding</b></p>	<p>Per partner: 70,000 EUR/year, i.e. maximum grant per partner 210,000 EUR for a 3-year project.</p>
<p><b>Eligible costs</b></p>	<ul style="list-style-type: none"> <li>○ Personnel costs incl. taxes;</li> <li>○ Consumables;</li> <li>○ Subcontracts (up to 25% of direct costs), needs detailed justification, includes all external services, project core activities cannot be subcontracted;</li> <li>○ Equipment (only depreciation costs);</li> <li>○ Replaceable and fully consumable during project elements of equipment, materials and animals;</li> <li>○ Travels (according to travel plan);</li> <li>○ Indirect costs (up to 25% of direct costs excluding subcontracting).</li> </ul> <p>Costs must be research and innovation costs, there is no support for other activities</p>
<p><b>Additional documents required</b></p>	<p>Applicants might be asked to provide additional information in order to assess their eligibility. Applicants are obliged to provide any information specified by Provisions of the Cabinet of ministers No 259, 26.05.2015 upon request.</p>
<p><b>Other national restrictions</b></p>	<p>See Provisions of the Cabinet of Ministers: <a href="http://likumi.lv/ta/id/274671-atbalsta-pieskirsanas-kartiba-dalibai-starptautiskas-sadarbibas-programmas-petniecibas-un-tehnologiju-joma">http://likumi.lv/ta/id/274671-atbalsta-pieskirsanas-kartiba-dalibai-starptautiskas-sadarbibas-programmas-petniecibas-un-tehnologiju-joma</a></p> <p>They should be followed without any exception. All limits and conditions contained in the Provisions in relation to ERA-NET or ERA-NET Cofund are an eligibility criteria for funding.</p>

### Norway RCN

<b>Funding of industrial partners</b>	Yes
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	700,000 EUR per project for the total 3 year period
<b>Eligible costs</b>	1.5 M EUR for the total 3 year period
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	See national guidelines. Please note that you can only be the Project manager for one project in this call. However, you can be partner on several applications.

## Poland NCN

<b>Funding of industrial partners eligible?</b>	Yes
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	NCN call budget: 500,000 EUR
<b>Eligible costs</b>	<p>Please see UNISONO:  <a href="http://www.ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2017/uchwala31_2017-zal1.pdf?ncn">http://www.ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2017/uchwala31_2017-zal1.pdf?ncn</a> (p. 5-12).</p> <p><b>Overhead costs</b> must not exceed a maximum of <b>40%</b> of the total eligible costs (excl. equipment) and may not be increased during the course of a research project.</p>
<b>Additional documents required</b>	<p>On the full proposal stage Polish applicants must register their applications in the OSF submission system (UNISONO application). This application includes the following budgettable:  <a href="http://ncn.gov.pl/sites/default/files/pliki/UNISONO_budget_table.xlsx">http://ncn.gov.pl/sites/default/files/pliki/UNISONO_budget_table.xlsx</a>.</p>
<b>Other national restrictions</b>	<p><b>Who can apply?</b>  Any researcher, with a <b>doctoral degree</b>, employed at a Polish institution may act as a Principal Investigator.</p> <p><b>Project duration:</b> 24 or 36 months</p> <p>Polish part of the project submitted within the call must involve <b>basic research</b> (original experimental or theoretical research work undertaken primarily to acquire new knowledge of the underlying foundations of phenomena and observable facts).</p> <p>If one international project includes partners from <b>two different Polish Host Institutions</b>, these institutions must apply as a <b>consortium</b>. Each Host Institution comprising the consortium has a separate budget, but the limit on the remuneration applies to the consortium as a whole (UNISONO, p. 9).</p> <p>Applicants are obliged to adhere to the rules included in the following document (UNISONO):  <a href="http://www.ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2017/uchwala31_2017-zal1.pdf?ncn">http://www.ncn.gov.pl/sites/default/files/pliki/uchwaly-rady/2017/uchwala31_2017-zal1.pdf?ncn</a></p>

## Romania -- MCI

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Up to 200,000 EUR/partner Up to 250,000 EUR/coordinator
<b>Eligible costs</b>	See national guidelines <a href="http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-">http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-</a>
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	See national guidelines <a href="http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-Cofund.html">http://uefiscdi.gov.ro/articole/4271/Dezbatere-publica-pachet-informatii-proiecte-ERA-NET-ERA-NET-Cofund.html</a> .

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	Encouraged
<b>Maximum funding</b>	The maximum amount of funding is 150,000 € per proposal and legal entity (additional 50,000 € if the Spanish group leader is the coordinator of the international consortium). Only one legal entity per project funded by MINECO-AEI will be allowed.
<b>Eligible costs</b>	<p>Please check the eligibility of costs at the APCIN 2018 call or its equivalent <a href="#">Web link to calls</a>.</p> <ul style="list-style-type: none"> <li>• Personnel costs for temporary employment contracts (scholarships are not eligible).</li> <li>• Current costs, small scientific equipment, disposable materials, travelling expenses and other costs that can be justified as necessary to carry out the proposed activities.</li> <li>• <u>Indirect costs (overheads) or clinical trials (proofs of concept, proofs of principle) are not eligible for funding in the APCIN call.</u></li> </ul>
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	<p>Please check the APCIN 2018 call <a href="#">or its equivalent</a>.</p> <p>Final rules on eligibility will be defined in the APCIN 2018 call (or its equivalent), to be published <a href="#">here</a>. In any case, the National regulations in Spanish will prevail over the English version.</p>

## Spain - ISCIII

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	Encouraged
<b>Maximum funding</b>	Up to 150,000 EUR per research group acting as partner Up to 200,000 EUR per research group acting as coordinator
<b>Eligible costs</b>	See: <a href="#">Call 2018 JPI-EC-AMR ISCIII eligibility</a>
<b>Additional documents required</b>	Applicants invited for full proposal stage have to send the national application
<b>Other national restrictions</b>	See: <a href="#">Acción Estratégica en Salud (AES 2018)</a>

Sweden - SRC

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	Max. 300,000 EUR per project (1 Swedish participant in the consortium: max 300,000 EUR, 2 Swedish participants in the consortium: max 300,000 EUR for the both of them together)
<b>Eligible costs</b>	The same as for applications for SRC project grants
<b>Additional documents required</b>	Swedish project leaders participating in the call for support from the Swedish Research Council shall also submit an application using the Swedish Research Council's application system Prisma: <a href="https://prisma.research.se/Go/Apply/97a015c3-c546-4444-9692-a84f00b75b51">https://prisma.research.se/Go/Apply/97a015c3-c546-4444-9692-a84f00b75b51</a>
<b>Other national restrictions</b>	See national guidelines: <a href="http://www.vr.se/inenglish/researchfunding/applyforgrants/conditionsforapplicationsandgrants.4.5adac704126af4b4be280007743.html">http://www.vr.se/inenglish/researchfunding/applyforgrants/conditionsforapplicationsandgrants.4.5adac704126af4b4be280007743.html</a> .

**Switzerland - SNSF**

<b>Funding of industrial partners</b>	No
<b>Participation of industry required?</b>	No
<b>Maximum funding</b>	No
<b>Eligible costs</b>	See regular SNSF guidelines
<b>Additional documents required</b>	No
<b>Other national restrictions</b>	Projects must fit with the goals of the National Research Programme “Antimicrobial Resistance” (NRP 72): <a href="http://www.nrp72.ch">www.nrp72.ch</a>
