Meetings Briefing

Purpose of Item

This document gives a short briefing of select meetings attended by JPIAMR representatives in the time since the previous Management Board meeting, as well as an overview of the future meetings with JPIAMR representation.

Description

JPIAMR participation in International events (January – October)

JPIs Chairs meeting, Brussels, 11 January 2018

- JPIAMR Participant: Carlos Segovia (Chair, Spain)
- Preparations with other JPIs for a joint event under the Austrian European Union Presidency “JPI Chairs Round Table – 20 September 2018, Vienna”

AMR Industry Alliance meeting, Geneva, 18 January 2018

- Andreas Aeschlimann (SC, Switzerland) represented JPIAMR in this event.

WHO AMR seminar, Copenhagen, 23 January 2018

- Jan-Ingvar Jönsson (Vice-Chair, Sweden) and Laura Marin (Head Secretariat) participated in Danish seminar regarding AMR research prioritisation.

Meeting with Danish member, Copenhagen, 24 January 2018

- Jan-Ingvar Jönsson (Vice-Chair, Sweden) and Laura Marin (Head Secretariat) visited the Danish members, Innovationfonden

EU Bilat US 4.0 event, JPIs mission: “European Joint Programming Initiatives – Opportunities for U.S.-EU Research Collaboration on Societal Challenges”, Washington DC, 29-31 January 2018

- Patriq Fagerstedt (Secretariat) represented JPIAMR in this event.
- Meeting objectives: Creating/raising awareness about the JPIs within the US Agencies; Identify synergies; Explore eventual cooperation.
- JPIAMR had bilateral meetings with USDA-NIFA, CDC, and NIAID.
- Outcome: NIFA-JPIAMR Joint workshop on AMR animal health/agriculture, Chicago, 1-2 December 2018

Kick-off Meeting of the Joint Action on Antimicrobial Resistance and Healthcare-Associated Infections (JAMRAI), Paris, 31 January 2018

- Carlos Segovia (Chair, Spain) presented JPIAMR.
- JPIAMR was invited to be member of JAMRAI Stakeholder Board.

One Health Network on AMR, Brussels, 5 February 2018

- Arjon van Hengel (EC)/Laura Marin (Head Secretariat) presented JPIAMR at this new European Union group with representatives of animal health and public health agencies.

Meeting of the Transatlantic Taskforce on Antimicrobial Resistance (TAFTAR), Atlanta, March 7-9, 2018

- JPIAMR Participants: Laura Marin (Head Secretariat) as a speaker in the R&D panel. Marc Ouellette (Canada) and Torstein Lindstad (Norway) also attended the meeting.
- TATFAR is a cooperation between US and EU (with Canada and Norway) with a focus to 1) Improve appropriate therapeutic use of antimicrobial drugs in medical and veterinary communities 2) Prevent healthcare and community-associated drug-resistant infections 3) Develop strategies for improving the pipeline of new antimicrobial drugs.
- There were discussions on the progress of the three different groups and also in research perspective to work further in exchanging information with the US and develop a stronger relationship.
- Outcome of the discussion: NIH will participate in the ongoing JPIAMR research funding mapping.

Fourth JPIAMR Call Workshop: Maximising existing and future research efforts and resource alignment to combat AMR. 8-9 March 2018, Frankfurt

- The aims of the workshop were to: 1) Share ideas on AMR policy recommendations and research strategies by bringing the PIs in the different funded networks together to present their work 2) Increase awareness of existing networks and identify possibilities for future research collaboration and funding schemes 3) Future alignment and potential coordination of programmes also in regards of the VRI
- The networks were all very engaged. Their output was very good and most were impressive. The networks want to write a paper for submission to a journal about the importance and usefulness of the networks as a funding mechanism.

JPIAMR_IMI_EC meeting, Brussels, 15 March 2018

- Jonathan Pearce (SC, UK) and Laura Marin (Head Secretariat) held a meeting with representatives of IMI and the EC in order to enhance communication and collaboration. Items discussed: IMI participation in the SRiA update, on how to engage further with future joint activities with IMI ISCG, on SMEs involvement and on the next meeting of the AMR drug development Global Funders Forum.

Challenges and new concepts in antibiotics research, Paris, 19-21 March 2018

- Laura Marin (Head Secretariat) presented JPIAMR activities at the roundtable « Public-private partnership for New Antibiotics and Alternative Strategies» at this international conference on antibiotic discovery.

ECCMID conference, Madrid, 21-24 April

JPIAMR was represented by Laura Marin, Patriq Fagerstedt and Laura Plant. The JPIAMR-Virtual Research Institute was presented in a 'Meet the Expert' session.

A Holistic approach to antibiotic innovation Workshop, Stockholm, 17 May

Laura Marin presented JPIAMR at the event.

Launch event of the Global AMR R&D Hub, Geneva, 22 May

Patriq Fagerstedt represented the JPIAMR in the launch event.

EU ERAC-GPC meeting, Brussels, 5 June

Laura Marin presented the JPIAMR-Virtual Institute.

Water JPI conference, Helsinki, 6-7 June
